

Maritim Catering

Classic Remise

Since its opening in 2006, the Classic Remise Düsseldorf has established itself as one of the city's most attractive event venues. The spacious architecture of the former locomotive roundhouse, the classic vehicles and the collectable cars form an extraordinary setting for not just gala events, symposiums and banquets, but exhibitions, presentations and workshops as well. The 870 sqm event space is equipped with solid timber flooring, dimmable lighting and climate control. Depending on the type of gathering, the space can accommodate up to 500 people.
