

# Sustainable action in the Maritim TitiseeHotel

The Maritim TitiseeHotel has agreed to participate in the GCB's [www.fairpflichtet.de](http://www.fairpflichtet.de) initiative and is taking proactive steps to adhere to their guidelines. Known as the Sustainability Codex, the guidelines regulate corporate responsibility as it pertains to economic, ecological and social aspects of the event industry.

The measures our hotel is taking with regards to sustainability are listed below:

## Energy, water, refuse

- Increased implementation of energy-saving LED lighting.
- Regulation of lighting by time switch programmes and motion detectors.
- Use of an energy efficient hot water system.
- Reduced flush option on the toilets and sensor controlled water-taps in public restrooms.
- Energy efficient minibar retrofitting.
- Inhouse-block-type combined heat and power station.
- Usage of solvent-free and low-emission paints and materials during renovations.
- Intelligent building service management systems to control the heating and aeration.
- Annual refuse audit through the Fraunhofer Institute's internationally recognised sustainability certificate in accordance with DIN EN ISO 14040.

## Food & Beverage

- Predominate usage of seasonal and regional produce as well as game.
- Observance and implementation of optimal logistics as they pertain to raw material acquisition.
- Economical, energy efficient and requirement-based policies for food and beverage preparation.
- Expansion of vegetarian dining choices.
- Predominant usage of reusable beverage packaging.

## Guests and employees

- Formation of a pro-environment work group with in-house employee trainings focused on teaching sustainability practices.
- Co-operation with the national railway (DB) for environmentally conscious travel to and from events.
- Providing public transportation and formation of car pools.
- Special Regiocard offers for guests.
- Provision of bicycles for guests.
